1 Introduction

The *Access to Information Act* gives Canadian citizens as well as people and corporations present in Canada the right to have access to Federal Government records that are not of a personal nature. The Act complements but does not replace other procedures for obtaining government information. It is not intended to limit in any way the access to government information that is normally available to the public upon request.

Marine Atlantic Inc. is a Crown Corporation that reports to the Parliament of Canada through the Minister of Transport. The Corporation provides a constitutionally mandated passenger and commercial marine transportation service between the Island of Newfoundland and the Province of Nova Scotia.

The Corporation provides ferry services on two routes. The first is a year-round 96 nautical mile daily ferry service between Port aux Basques, Newfoundland and Labrador and North Sydney, Nova Scotia. The second is a 280 nautical mile tri-weekly ferry service between Argentia, Newfoundland and Labrador and North Sydney, Nova Scotia. This second service operates from mid-June to late September.

The Corporation currently owns three vessels and charters one additional vessel to meet the traffic demands on the ferry service routes. These vessels are the *MV Leif Ericson*, the *MV Atlantic Vision*, the *MV Blue Puttees* and the *MV Highlanders*.

Marine Atlantic Inc. operates terminals located in the ports of Port aux Basques, NL, Argentia, NL, and North Sydney, NS. The Corporation's head office is located in St. John's, NL.

3 Interpretation of the Statistical Report

3.1 Requests Received Under the Access to Information Act

Between April 1, 2015, and March 31, 2016, Marine Atlantic received nine requests for information under the *Access to Information Act* (three were carried over from 2014-2015). All nine requests received during 2015-2016 and the three requests that were carried over from 2014-2015 were completed during 2015-2016 (a total of twelve). No requests have been carried over into the 2016-2017 fiscal year.

3.2 Trends of the Requests Received

The number of Access to Information Requests received during 2015-2016 is still relatively low (nine new requests received). This is an increase from 2014-2015 when the Corporation received eight new requests under the *Access to Information Act* and in 2013-2014 when the Corporation received two requests. The Corporation has used similar exemptions when processing Access to Information requests for the past three years. The breakdown of the requests received during the 2015-2016 fiscal year is as follows:

- Two (2) Media
- Two (2) Organization
- Five (5) Decline to Identify

3.3 Disposition of Requests Completed

In 2015-2016, Marine Atlantic received nine Access to Information Requests and completed all nine of those requests, as well as the three requests that were carried over from 2014-2015. 3.5 Exclusions Invoked

During the reporting period, Marine Atlantic did not claim any exclusions cited pursuant to Section 68 or 69.

3.6 Extensions of Time Limits

Section 9 of the *Act* provides for the extension of the statutory time limits if consultations with a third party are necessary or the request is for a large volume of records and processing the request within the original time limit would unreasonably interfere with the operations of the Corporation.

During this reporting period two requests were processed within 15 days, five requests were processed within 30 days, two requests were handled within 60 days, and three requests were processed within 120 days. Three requests were extended for 30 days under section 9(1)(a), two requests were extended for 60 days under section 9(1)(b), and one request was extended for 120 days under section 9(1)(b). No requests that required an extension were submitted past the extension deadline.

3.7 Method of Access

Printed copies of the relevant documents were given for four of the requests and electronic copies were given for six of the requests (one request was transferred and no records existed for one of the requests).

3.8 Fees

The fees collected during the reporting period totaled \$50.00. No fee was charged for the request that was transferred to another organization.

3.9 Operational Costs to Administer the Act

Total salary costs associated with the *Access to Information Act* are estimated at \$40,000 for 2015-2016 and professional services contracts amounted to \$66,786 for a total of \$106,786.

1 Introduction

The *Privacy Act* gives Canadian citizens and people present in Canada the right to have access to information about them that is held by the Federal Government. It also protects against unauthorized disclosure of that personal information. In addition, it strictly controls how the government will collect, use, store, disclose and dispose of any personal information.

Marine Atlantic Inc. is a Crown Corporation that reports to the Parliament of Canada through the Minister of Transport. The Corporation provides a constitutionally mandated passenger and commercial marine transportation service between the Island of Newfoundland and the Province of Nova Scotia.

The Corporation provides ferry services on two routes. The first is a year-round 96 nautical mile daily ferry service between Port aux Basques, Newfoundland and Labrador and North Sydney, Nova Scotia. The second is a 280 nautical mile tri-weekly ferry service between Argentia, Newfoundland and Labrador and North Sydney, Nova Scotia. This second service operates from mid-June to late September.

The Corporation currently owns three vessels and charts one additional vessel to meet the traffic demands on the ferry service routes. These vessels are the *MV Leif Ericson*, the *MV Atlantic Vision*, the *MV Blue Puttees* and the *MV Highlanders*.

Marine Atlantic Inc. operates terminals located in the ports of Port aux Basques, NL, Argentia, NL, and North Sydney, NS. The Corporation's head office is located in St. John's, NL.

2015-2016 Highlights and Accomplishments

The Corporate Counsel is responsible for management and oversight of the Access to Information and Privacy functions at Marine Atlantic. It should be noted that serving as ATIP Coordinator is one of numerous portfolios for which the Corporate Counsel is responsible, and as such, this is not a full time position.

3 Interpretation of the Statistical Report

3.1 Requests Received Under the Privacy Act

Between April 1, 2015, and March 31, 2016, Marine Atlantic received and processed one request for information under the *Privacy Act*.

3.2 Exemptions Invoked

Exemption 26 of the *Privacy Act* was invoked during the reporting period for the only request that Marine Atlantic received and processed.

3.3 Permissible Disclosure of Personal Information

Personal information collected by Marine Atlantic is only disclosed for the purpose for which it was collected. This is in accordance with paragraph 8(2)(a) of the *Privacy Act*. During 2015-2016, Marine Atlantic did not disclose personal information.

3.4 Costs

Total salary costs associated with the *Privacy Act* are estimated at \$5,000 for 2015-2016. This low cost can be attributed to the low number of requests and lack of records which required processing.

4 Institutional Policies and Procedures

During fiscal year 2015–2016 Marine Atlantic did not implement any new and/or revised Privacy policies, guidelines or procedures.

5 Delegation of Authority

The President/CEO of Marine Atlantic has delegated all powers and responsibilities bestowed upon him under the *Privacy Act* to the Corporate Counsel and Policy and Analysis Officer (see Annex B – Delegation Order).

6 Education and Training

7 Complaints and Investigations

There were no complaints received concerning the administration of the *Privacy Act*. There were also no privacy breaches and no difficulties have been encountered in the administration of the *Privacy Act* during the reporting period.

8 Privacy Impact Assessments

In 2010, Treasury Board issued a directive that requires federal government institutions subject to the *Privacy Act* to conduct Privacy Impact Assessments (PIA) before establishing new programs, systems or policies or before making any substantial modifications to an existing program, system or policy.

During this reporting period, Marine Atlantic did not initiate any Privacy Impact Assessments (PIA) and, therefore, no assessments were forwarded to the Office of the Privacy Commissioner.

To date, Marine Atlantic has not posted PIA summaries on its institutional website.

9 Disclosure Pursuant to Paragraph 8(2)(m)

Subsection 8(2) of the *Privacy Act* describes the circumstances under which personal information under the control of a government institution may be disclosed without the consent of the individual to whom the information pertains. Such disclosures are discretionary and are subject to any other Act of Parliament.

Marine Atlantic did not make any disclosures pursuant to paragraph 8(2)(m) during the reporting period.

10 Data Matching and Sharing Activities

Marine Atlantic did not establish any new systems or processes which lead to data matching or sharing of personal information, either within the Corporation or any external sources.

The Coordinators will then analyze the projected time needed to respond to the request, based on discussions with applicable information holders throughout the Corporation.
